	ADDITIONAL PUBLICATIONS AVAILABLE and CONFERENCE PROCEEDINGS		
FPJ Vol 24 No.12 December 1974	**How Species and Board Densities Affect Properties of Exotic Hardwood Particleboards** - Technical paper on the physical and mechanical properties of Paulownia (kiri) and three additional exotic hardwoods when used as particleboard. (9 pages; **$4.50 per copy; Non-Members: $5.50 per copy)**	Benedito Rocha Vital; William F. Lehmann; R. Sidney Boone	
APA Publication no date	**"Paulownia Wood: A Growing Potential"** - Comparison of the physical and mechanical properties of Paulownia, Cottonwood, NW Cedar, E.W. Pine, Redwood, Ponderosa Pine, andBalsa. Current & potential markets (2 pages; **$1.00 per copy ; Non-Members: $1.50 per copy)**	American Paulownia Association, Inc.	
FOR 11 P79/R89	**Paulownia –** A Potential Alternative Crop for Kentucky, University of Kentuckty Cooperative Extension Service (6 pages; **$3.00 per copy; Non-Members: $4.00 per copy**)	Donald H. Graves	
MP 984 Jan 1984	***Paulownia Tomentosa* : A Brief Guide for the Tree Farmer, University of Maryland (18 pages; $9.00 per copy; Non-Members: $12.00 per copy)**	**Peter R. Beckjord**	
Bulletin 319 published 1987-1988	**How to Grow Paulownia,** University of Maryland Cooperative Extension Service (8 pages; **Members: $4.00 per copy; Non-Members $5.00 per copy**)	John F. Kundt	
FOR-39 Sep 1989	**Paulownia – A Guide to Establishment and Cultivation, University of Kentucky (8 pages; $4.00 per copy; Non-Members: $5.00 per copy)**	**Donald H. Graves & Jeffrey W. Stringer**	

Publication Date	Newsletter Article Title	Author	Quantity Ordered
RC & DC 1993	**The Paulownia Tree** – A Forestry Cash Crop For The Future, Chestatee-Chattahooche Resource Conservation & Development Council, Inc. (10 pages; **Members: $5.00 per copy; Non-Members: $6.00 per copy**)	Jim Smith – Consultant	
PB 1465 1993	**Royal Paulownia** – Tree Crops For Marginal Farmland, with a Financial Analysis, University of Tennessee Agricultural Extension Servive (30 pages; **Members: $8.00 per copy; Non-Members: $10.00 per copy)**	James Johnson; James Pease; Larry Johnson; George Hopper	
Publication 319-P87/R97	How to Produce and Market **Paulownia,** University of Maryland Cooperative Extension Service (28 pages; **Members: $8.00 per copy; Non-Members $10.00 per copy**)	Jonathan Kays; Dale Johnson; Jeffrey Stringer	
Paulownia Handbook	**The PAULOWNIA Handbook - A Synthesis of Information**, compiled in 2001 by the American Paulownia Association, Inc., (Over 300 pages of Paulownia culture information; **Members: $75.00 per copy; Non-Members: $100.00 per copy**) ***Note: This Handbook includes all of the above publications, many newsletters and numerous other references*. NOTE: ALL HARD COPIES SOLD OUT. STAY TUNED FOR THE CD VERSION!**	American Paulownia Association, Inc.; Numerous authors and sources.	
CHINESE Paulownia	**A Marvelous Tree Species For Agroforestry. Produced by the Researcs Institute of Forestry of Chinese Academy fo Forestry.** A complete abstract discourse on the Paulownia species, including geographical and enviromnetal considerations. **(6 pages: members: $3.50; Non-Members: $4.00)**	Zhang Huaxin	
Paulownia Properties and Uses	**Physical Qualities, Current Uses and Potential Uses of Paulownia** - Compiled by the School of Forestry, Auburn University, Alabama (10 pages; Members: $3.00 per copy; Non-Members $4.00 per copy)	R. C. Tang	
Properties of Paulownia Lumber	**Quality of Air-Dried Paulownia Lumber** - Complied by University of Kentucky Staff (6 pages; Members: $2.00 per copy; Non-Members $3.00 per copy)	James R. Olson; F. Carroll Facker; Jeffrey W. Stringer	
Paulownia as a Waste Utilization Tree	**Potential of PAULOWNIA ELONGATA Trees For Swine Waste Utilization -** Compiled by NC State University Staff; Addresses chemical content of Paulownia, nutrient requirements, and biomass analysis; (13 pages; Members: $4.00 per copy; Non-Members $5.00 per copy)	B. A. Bergmann; A. R. Rubin: C. R. Campbell	
Paulownia - Sustainable Agriculture Symposium	**PAULOWNIA - An Invasive, Opportunity or Both?** - Presented at the Delaware State University on Urban and Community Forestry, Sustainable Agriculture Symposium 11/02; Contains an in-depth report (100 pages) and slide show (55 slides) on the legal, political, opportunity, and realistic aspects of Paulownia with respect to non-native and invasiveness issues. Accompanied by a "Power Point" slide show presentation on a CD including pictures of the 2002 Conference field trip and a Paulownia Earth Home. (Members: $50.00 per copy; Non-members: $75.00 per copy)	Danny J. BlickenstafF, President of the American Paulownia Association, Inc. 2002-2003	
Department of Energy (2008)	**"BIOMASS To CELLULOSIC ETHANOL" -** A detailed illustrated primer addressing all aspects of converting woody biomass materials to ethanol usal for fuel and energy production. This document consists of 12 double sided pages in full color including narrated illustrations. A "must-have" resource document for anyone interested or involved in this field. Available as either a Power Point slide show on CD or hard copy color format. (Members: $12.00 per copy; Non-members $15.00 per copy)	Primary data and documentation by US Deparment of Energy, Office of Science, Bioenergy Research Centers, (genomics.energy.gov) Adaptation to a primer hard copy and PowerPoint Slide Presentation by Dan Blickenstaff, APA Publicist.	
Annual Conference Proceedings (1999-2003) (2011-2012)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the yearly annual conference. Examples include: Program outline; Bios of speakers; topic outlines; hard copies of slide shows if made available by the Presenter; and, other articles and papers. (Members $25.00 per copy of each year requested; Non-members: $30.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2004)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; a 2 hour DVD of 5 presentations including 4 slide shows and a movie of the Jack Dickey Paulownia company "Tropaul"; and, other articles and papers. (Members $45.00 per copy; Non-members: $50.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2005)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; an audio CD of 22 musical renditions performed by the *All Paulownia* "Shenandoah String Band"; and, other articles and papers. (Members $35.00 per copy; Non-members: $40.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2006)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; and a CD containing the following presentations: "The State of South Carolina Forest" by Mr. Felder State Forester; "Thinning Paulownia, Results and Recommendations" by Marc Zboch; plus, a copy of the May 2006 Newsletter containing the conference report. Members $35.00 per copy; Non-members: $40.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2007)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; and 1 DVD and1 CD containing the following presentations: "Reclaiming the Future: Reforestation in Appalachia" by University of Kentucky College of Agriculture; "Surface Mining Planting" by Dr. Stringer, UKY; "Paulownia Carbon Sequestration and Transpiration" by Dr. Bauerle, Clemson University; "Haiti Reforestation Program" by Starry Sprenkle, Albert Sweitzer Hospital; "Sunscald Test Maryland" by Dan Blickenstaff; plus, a copy of the June 2007 Newsletter containing the conference report. Members $40.00 per copy; Non-members: $50.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2008)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; and 1 CD containing the following presentations: "BIOMASS To Cellulosic Ethanol" by Dr. Mark Downing, DOE, Oak Ridge National Laboratories; "Carbon Trading" by Eloy Benitez, Carbon Health & Dream Makers Legacy; "The Effect of Growth Rate on Paulownia Wood Anatomy" by Eric Lawson, Independant Wood Scientist; and, "S&B Presentation - Plantation Paulownia Under Drip Irrigation" by Ernest Sligh & Dan Blickenstaff; plus, a copy of the Jul 2008 Newsletter containing the conference report. Members $40.00 per copy; Non-members: $50.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2009)	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; and 1 CD containing the following presentations: "2010 Austin Conference Planning" by Shaye Stevens; "Royal Paulownia Chemical Composition, DOE, Oak Ridge National Laboratories; "Milling & Marketing Paulownia" by Rod Mortenson; "Paulownia Sustainability" by Vince Luchsinger; East Texas Report 2007-2008, Edendell and Mutchler Farms; and, "S&B Presentation - Plantation Paulownia Under Drip Irrigation" ,"Sun Scald Update", "Paulownia Tree Topping Experiment", New Marketing Opportunities", "Mega-Flora Report", and Web Site Update, by Dan Blickenstaff. (Members $40.00 per copy; Non-members: $50.00 per copy)	Various authors and presenters	
Annual Conference Proceedings (2010) Note: Additional annual proceedings for 2011-2015 are avaialble upon request, please inquire for price.	These proccedings include a hard copy of all documentation and handouts provided to the attendees at the conference including: Program outline; Bios of speakers; topic outlines; and all presentation handouts including: Natural Resources Conservation Services Documents; "Farm Bill 2008" - Conservation Practices and Programs for Your Land"; Grant Programs including: "RFP Programs, "Conservation Innovative Grants (CIG)"; "Foundation Goals: Clean and Abundant Water"; "2010 Wetland Reserve Enhancement Program (WREP)"; "2010 Cooperative Conservation Partnership Initative (CCPI)"; "2010 Agricultural Water Enhancement Program (AWEP)"; Publications and Studies Supporting the Non-Invasiveness of Paulownia by Paulownia Tree Company; "How To Make Charcoal and Black Powder" by Skylighter, Inc. with permission. (Members $35.00 per copy; Non-members: $40.00 per copy)	Various authors and presenters	
Custom Search & Copy Services	Search of the Association's entire archived data base. Members cost of 25 cents/page duplication fee. Non-member custom search performed for an advance deposit of $25 plus 25 cents/page duplication fee. *NOTE: Digital format is available for most documents.*	Various authors and presenters	
	B:	Total Cost of Publications Requested (US Dollars): (Includes handling and shipping costs to United States only)
