Referred by: _____

The information above will be listed in our Annual Membership Directory. Annual dues must be received no later than February 28th of each year for your name to be included.

Your dues payment entitles you to receive benefits commensurate with your membership level. Following are the benefits for the various membership levels:

Annual Membership: A one year subscription to the newsletter; a membership card made of Paulownia wood; access to our Association website services, including access to the information contained in the APA archives for a reduced (10%) duplication fee; and, discount on registration to the annual conference.

5-Yr Premium Membership: A 5-yr subscription to the newsletter; a membership card made of Paulownia wood; access to our Association website services, including access to the information contained in the APA archives for a reduced (25%) duplication fee; opportunities to place advertising and internet links on the Association website; and, discount on registration to the annual conference.

Existing Life Time Membership: A life time subscription to the newsletter; a membership card made of Paulownia wood; unlimited access to our Association website services, including access to the information contained in the APA archives for a reduced (50%) duplication fee; opportunities to place advertising and internet links on the Association website; and, discount on registration to the annual conference. Existing Life Members may upgrade to a Premier Life Membership for a one-time payment of \$200.00.

Premier Life Time Membership: A life time subscription to the newsletter; a membership card made of Paulownia wood; unlimited access to our Association website services, including access to the information contained in the APA archives and selected data research at no cost; opportunities to place advertising and internet links on the Association website; and discount on registration to the annual conference.

We sincerely wish, and will do our best to ensure, that your Paulownia venture will be both enjoyable and profitable. Thank You.
